After learning that the association’s members were invited to watch Viva La Broadway - Golden Spectacular, the medalists accompanied the members to the Broadway Theatre before bidding farewell. The members especially enjoyed the mime performance, which brought them lots of laughter.

During their visit in Macau, the gold medalists were invited to attend a number of public events and visit local communities and schools to share their perspectives on life and experiences in sports. GEG believes that this activity has significant impact and is honored to have the opportunity to provide its “Asian Heart” service to the national gold medalists. GEG hopes the members of the Fu Hong Society have enjoyed a memorable moment with the athletes and increased their appreciation of sport and fitness.
