

### **Santa Claus Charms the children at Galaxy Macau**

**Dec 23, 2016** – As a responsible corporate citizen, Galaxy Entertainment Group ("GEG") always supports and participates in various community and volunteering activities in Macau. With Christmas fast approaching, GEG had arranged four special events inviting over 120 children from Fu Luen School and the Macau True Goodwill General Association to celebrate the holiday with Santa Claus.

This holiday season, Galaxy Macau™ invites Santa Ron, who has over 50 years of experience, to create a memorable Christmas experience for residents and visitors of Macau. To catch this opportunity, GEG invited the children from Fu Luen School and the Macau True Goodwill General Association to Galaxy Macau to celebrate the holiday with the Santa. On the event days, after arriving at Galaxy Macau, the children went into Santa's grotto to listen to him tell a story about Christmas, after which everyone enjoyed a Christmas sing-along. Santa Ron answered the children's questions one by one, and the children took instant photos with him as he gave each of them a Christmas present. GEG hopes to bring joy to the children through the activities and they could be content and grateful for what they have.

In these two weeks, Santa Ron has taken photos with near 20,000 visitors. Visiting Macau for the first time, Santa Ron says it has been a very memorable experience, especially in meeting five generations of one family. "At Galaxy Macau, I've had a visitor of 90 years old and a visitor of nine weeks old. I get great fulfillment from seeing the happy smiles of the families I meet. During these four special events, the active and lovely children have brought me many joys. I really appreciate the special arrangements GEG team members made for the events, such as arranging a translator for the Christmas story and preparing presents for the children and I can feel the care GEG has for the community. I could also feel the holiday cheer from the people of Macau as well as from visitors from all over the world, I wish everyone a Christmas that is full of love and happiness."
