

“Galaxy Got Talent 2012” Grand Final to be Held on Thursday
All Proceeds will go to Macau Deaf Association

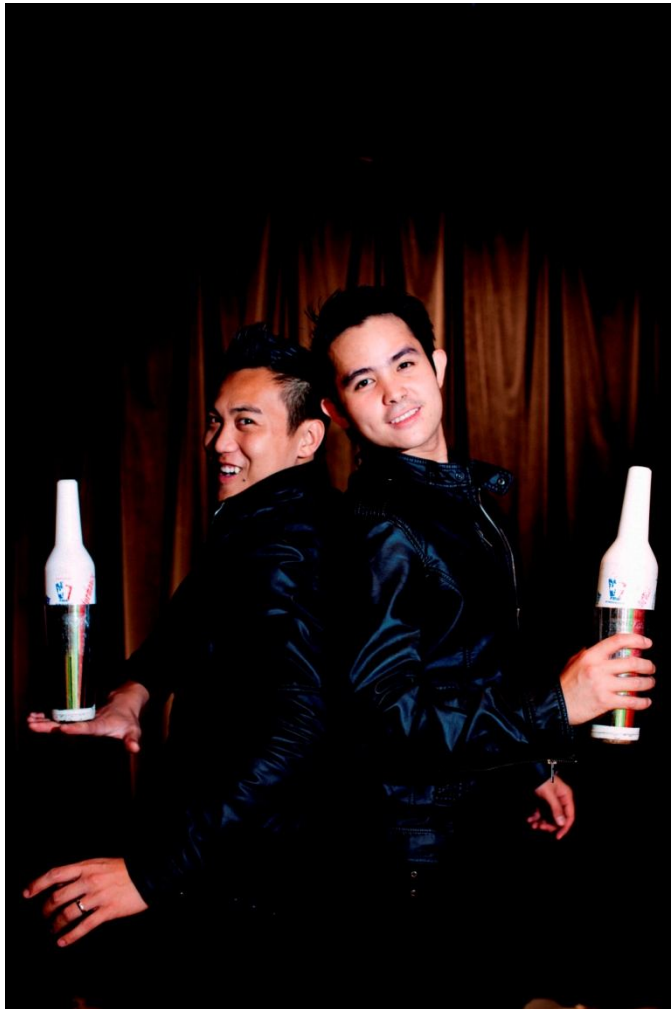

October 15, 2012 – The much anticipated Grand Final of Galaxy Entertainment Group (“GEG”)’s annual talent show contest, “Galaxy Got Talent” will be held at the East Square of Galaxy Macau™ on 18th October, where the versatile GEG contestants will bring out their most fantastic performances to compete for the championship. All proceeds from ticket sales will go to Macau Deaf Association in support of its community work.

GEG has always been socially integrated with the community by coordinating all kinds of staff and community activities with different associations, especially those that help the people in need. Hoping to promote social integration of people with disabilities, GEG specially invites members of Macau Deaf Association to join the GEG volunteers in presenting a kickoff performance for the Grand Final with a song in sign language. All proceeds from ticket sales will be donated to the association and to thank the spectators who purchase a MOP\$50 admission ticket to support charity, a lucky draw will be hosted for them to win big prizes.

Following the success in the past 3 years, “Galaxy Got Talent” continues to receive overwhelming responses from the team members across the company. After two days of auditions, it comes down to 12 finalists with talents such as singing, dancing, acrobatics and beatboxing. They will compete for the championship as well as other special awards, including the Best Showmanship and the Best Dress Award with fabulous prizes worth more than MOP\$140,000. Representatives of Macau Deaf Association and local artists are invited to be the judges of the Grand Final, and famous Hong Kong artist is also invited to be the guest performer. Members of public are welcome to join the show and to render support to charity at the same time.
